Product Design Lead with over a decade of experience designing **web and mobile apps** across the UK, Europe and the Middle East. I specialise in **design systems** and own the end-to-end design process, from UX and research to high-fidelity, development-ready designs.

EXPERIENCE

Mar 2024 - Present
2 yrs 4 mos
Abu Dhabi, UAE · Hybrid

Director of Product Design at People of Design CURRENT

- Lead product design across the studio, setting the design direction and quality bar for client and in-house product work.
- Build and scale design systems that let teams ship faster, more consistently and at a higher level of polish.

Aug 2022 - Jun 2023
11 mos

Lead Product Designer at Mondly

- Led product design for Mondly's language-learning platform across mobile and web, balancing engagement, clarity and learning outcomes.
- Owned the end-to-end design process - from research and flows through to high-fidelity UI and design-system contributions.

Jun 2018 - Aug 2022
4 yrs 3 mos
Dubai, UAE · London, UK

Monstarlab · Global digital product consultancy

Progressed from UX/UI Designer to Lead Designer over four years, delivering end-to-end product design for enterprise and startup clients across the UK and UAE, and establishing reusable design systems and UI patterns across project teams.
